Dear Parents and Carers,

Sixth Form Half-Term revision

I am writing to you to let you know that A level revision in Maths and Physics will take place at the School during the October half-term holiday. Further details are attached.

This is an excellent opportunity for your son/daughter to prepare for his/her 2016 A Level Public examinations.

Students are to report to the main reception by 8.45 each morning and register. There will be a 30 minute break between sessions and your son/daughter should bring his/her own refreshments as our school catering will be unavailable. Afternoon sessions will finish at 2.30pm.

With thanks for your continued support,

Yours sincerely,

Mr A English

Assistant Headteacher
