4<sup>th</sup> June 2014

Dear Parent/Carer,

## **Geography Field Trip – Thursday 3<sup>rd</sup> July 2014**

As part of the GCSE Geography course each student will need to complete a Controlled Assessment which is worth 25% of their final mark. All Geography pupils will be studying Ecosystems in Epping Forest. A course requirement is that students will need to complete field work.

The Geography department has organised a fieldtrip on Thursday 3<sup>rd</sup> July 2014 to the Field Study Centre, Paul's Nursery Road, High Beach, Essex. This is a fully accredited centre and it meets all health and safety requirements. All students will be fully supervised by members of the Geography department and it will give them the chance to collect data that will help them to achieve the highest possible grade on this element of their Geography GCSE.

A coach will be leaving school at 8.30am, all students will need to be in school at 8am and will be returning to school at 3.30pm. The cost of travel is being met by the school.

Students will need to bring with them writing equipment and a packed lunch. Students on free school meals will have lunch provided. Each student must ensure they are wearing suitable clothing for working outside.

Please complete the parental consent form below and return it as soon as possible to the school. Failure to do this will mean that your child will not be able to attend and this will affect their final Controlled Assessment grade.

Yours sincerely,

Mr Crotty  
**Head of Geography**
