

15th October 2014

Dear parent/carer,

Year 11 Half-Term revision

I am writing to you to let you know that GCSE courses in Maths, Geography, Science, French, Music and English will take place at the school during the October half-term holiday. Ms Gallagher will advise your child if they have been invited to English provision. Further details are attached.

This is an excellent opportunity for your child to prepare for their 2014 GCSE Public examinations. Your child must achieve a minimum of a C grade in both English and in Mathematics to secure a range of opportunities post GCSE.

Students are to report to the main reception by 8.45am each morning and register. There will be a 30 minute break between sessions and your child should bring their own refreshments. Students will not be allowed to leave school and your child is encouraged to bring a packed lunch if at school for the full day. School catering will not be available. Afternoon sessions will finish at 2.30pm.

Students must come fully equipped for these revision sessions with pens, pencil, ruler, calculator, compass and protractor. Students who misbehave will be sent home and will not be invited to further revision sessions.

With thanks for your continued support,

Yours sincerely,

Mr A English
Assistant Headteacher
