Dear Parent/Carer

Promoting Healthy Relationships Workshop

There will be a workshop led by the Future Theatres Company on Monday 12th May 2014 for all Year 9 students.

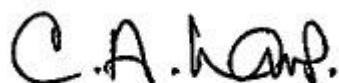

The workshop forms part of the school's PSHE provision and will focus on the pressures young people face in relationships as well as challenging gender inequality, and forming healthy relationships.

The hour long sessions will be theatre based workshops and students will participate in small groups with trained actors. Members of Cardinal Pole staff will also be present at all times.

We have previously successfully run such workshops as part of Additional Learning Days and feedback from students indicates that this is a much-valued aspect of their wider education.

All workshops are appropriate to the age of the audience and are in line with the Catholic ethos of the school and our Sex and Relationships Education Policy. If you have any queries or concerns, or wish to request a copy of the policy, please do not hesitate to contact Mr Gunning, Head of Learning for Year 9 or myself.

Yours sincerely,

Ms C Laws
Deputy Headteacher
