

3rd October 2014

Dear Parent/Carer,

Maths Tuition – Starting Thursday 9th October 2014 3.30pm – 4.30pm

Your child has been identified as a student who would benefit from additional after-school Maths tuition. This is because, according to the last formal assessment, they achieved a level significant below their target level.

In order to ensure that your child makes the progress they should make, the school has arranged tuition through a specialist tuition agency called Harrison Allen. Harrison Allen tutors are very experienced and will support your child to reach their full potential in Maths by the end of this academic year.

The tuition will take place in small groups of no more than five and will commence in school on **Thursday 9th October 2014** from **3.30pm-4.30pm**. There will be a weekly session until the end of June 2015.

There will be no charge to you for this extra tuition as the school is meeting the full cost. What we do ask for is your full support in ensuring your child attends every session.

Please complete and return the below reply slip to confirm receipt of this letter.

Please do not hesitate to contact me if you have any questions about any of the above.

Yours sincerely,

Mr McEvoy
Assistant Headteacher - *KS3 Student Achievement*
