

Cardinal Pole Catholic School is a comprehensive, mixed, 11-18 oversubscribed school. The school has exceptional facilities and was the most improved Hackney school at both GCSE and A Level in 2018. At GCSE our results continue to improve Year on Year and have done so for the past five years. It has many exceptional results for both departments and individual students with above national average in English, Maths and science. Progress measures continue to be very positive.

Our A level results continue to be amongst the best in the country with an ALPS 1 for progress (top 1% nationally). The school was delighted to secure 100% pass rate for all students and 18% A*-A, 54% A*-B, 88% A*-C and 97% A*-D, a significant increase on last year's high achievement. A third of students secured places in Russell Group Universities including Oxbridge with many more moving on to other top universities.

Our most recent inspection in October 2016 from the Diocese of Westminster graded the school as outstanding in every category. The report commented that our 'distinctive inclusive ethos of this school is tangible in every area of school life from classroom to corridors and in relationships between students and staff' and described progress as outstanding. Importantly, it described the school as a 'safe place that allows all to flourish' and a place where 'Students make outstanding progress'. The 2017 OFSTED praised the work of the school.

Design & Technology Teacher

Salary: Inner London
Required for: September 2019
Closing Date: Thursday 16th May 2019 at 8.30am
Interview Date: TBC

The Governors seek to appoint an enthusiastic teacher of Design and Technology. The successful candidate should be committed to teaching across the 11-18 range. The ability to teach Art at KS3 would be welcomed. We are looking for an exceptional teacher to join a department which is promoting excellent teaching and learning in order to secure outstanding outcomes, and who works well with staff and students to inspire a love of Design and Technology. This post is suitable for an NQT.

The Art, Design and Technology department is well-resourced and fully staffed. The school has an outstanding record of support for professional development and there is a comprehensive programme of support for NQTs.

We are looking for the following:

- An outstanding classroom practitioner
- Ability to teach across the full age range and teach food technology
- A person committed to the highest standard of achievement for all students
- Be committed to the school's ethos and vision

Ofsted report 2017 - **Outstanding** Sixth Form grade, **Outstanding** grade for Welfare and Safety and **Good** in all other categories

To apply, please email your completed application and recruitment/rehabilitation of offenders monitoring form to staceywright@cardinalpole.co.uk or send in the post for the attention of Stacey Wright, HR Officer.

Please note that CV's will not be accepted.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. An enhanced DBS check will be undertaken. We are an Equal Opportunities employer with excellent CPD provision.
