5<sup>th</sup> February 2018

Dear Parents/Carers

May I say that I have been very impressed with the smartness of the majority of our students since our return to school after Christmas and I thank parents/carers for their assistance on this. Ensuring our students take pride in their uniform helps them to focus their minds in readiness to learn.

It has been a very busy half term, particularly for years 11, 12 & 13 sitting lots of examinations and assessments to ensure that they meet and, indeed, exceed their expected grades this coming summer. There will be a number of revision sessions held in school over the February half term break for our student, of which you would have been notified, undercover of a separate letter.

For your information, I list below some key dates of forthcoming events next half term. Please note that Parents'/Information Evenings are key to us working together to ensure the best possible outcomes for your child, so can I ask that you do your utmost to attend these events.

Thursday 8 <sup>th</sup> February 2018	Year 7 Parents' Evening

Yours sincerely
