

19th September 2017

Dear Parents/Carers,

SCIENCE REVISION GUIDES

Your child is currently studying modules that will be tested in their GCSE at the end of year 11. In order to support their learning it is highly recommended that they purchase a revision guide. These revision guides are available to the school at a discounted price of £5.50. The school will contribute £2.50 per revision guide. To secure your child's revision guide you are asked to pay £3.00 to the office.

If for any reason you are unable to support this, please speak to your child's Head of Year in the first instance.

I thank you in advance for your on-going support.

Yours sincerely,

R. Ingrey

Ms R Ingrey
