

24th November 2017

Dear Parent/Carer

RE: YEAR 11 SATURDAY REVISION CLASSES

A schedule of our Saturday revision sessions for Maths, English and Science has been set up for identified pupils for **Saturday 25th November 2017, 2nd December 2017 and 9th December 2017.**

These sessions are there to consolidate the learning in lessons or to complete sections of the Scheme of Work. Session 1 will run from 9am-11am and session 2 from 11am-1pm. Your child must arrive at school and register at reception with Mr Brown/Ms John by 8.45am. They must also be fully equipped to take part in these sessions (textbooks, exercise books, folders, pens, pencil, ruler, calculator, protractor etc).

Pupils should bring their own refreshments as the canteen will not be open.

Your child will attend the following sessions each week:

25/11/2017 Session 1 – Science/Maths

25/11/2017 Session 2 – Science/Maths

02/12/2017 Session 1 – Science/Maths

02/12/2017 Session 2 – Science/Maths

09/12/2017 Session 1 – Science/Maths

09/12/2017 Session 2 - Science/Maths

Statistics have shown a strong link between attendance at revision sessions and examination success. Your child needs to secure at least a grade 5 in these subjects. Please make sure that your child attends the Saturday session(s) above and arrives on time fully equipped and ready to work hard.

Thank you for your continued support.

Yours sincerely

Mr A English
Deputy Headteacher
