Dear Parents/Carers

**UNIFORM**

I am writing to notify you of a uniform change which we would like to consult you on. You may or may not be aware that students recently lobbied with regards to girls wearing trousers. Having consulted Governors, I am now looking for some parental feedback. I would be most grateful if you could complete the slip below highlighting whether you would be in favour of the addition of trousers into our uniform policy and then return it to your child's Form Tutor. I should point out that if trousers were to be added into the uniform, they would be an optional item only not compulsory and would only be able to be purchased from our agreed uniform supplier at a cost of £18.99.

Whilst writing, may I remind parents/carers that as the colder weather approaches, the approved Cardinal Pole winter coat is the only agreed style of coat to be worn and the most cost effective. All other types of coat will be confiscated at the school gate and returned on a Friday at the end of the day.

Thank you for your continued support.

Yours sincerely

Ms J Heffernan
