

6th February 2018

Dear Parent/Carer,

INTRODUCING THE "MY ED" APP

We are very pleased to introduce the "My Ed" app to you and strongly encourage you to download it onto your smartphone or tablet. This will allow the school to communicate important messages to you and in return, to communicate with the school and check on important events, key dates, news and other important school information.

The signup process is very simple and is explained on the attached sheet. As a school that cares about our ecological footprint, we are keen to explore paperless communication systems and the "My Ed" app offers just that. It is also very easy to use.

Please make sure you have downloaded the app and signed up by **Wednesday 28th February 2018**. After this date, the school will commence sending various communications via the app rather than by letter.

If you experience any issues downloading or signing on to the app, please do not hesitate to contact the school office.

We look forward to communicating with you via the My Ed app!

Yours sincerely,

Ms J Heffernan
