

Parent/Carer of:

19th April 2018

Dear Parents/Carers,

SAYERSCROFT MATHS RESIDENTIAL TRIP : FRIDAY 4TH - SUNDAY 6TH MAY 2018

The school is pleased to be able to provide your child with the opportunity to attend a Maths residential course at the Sayerscroft activity centre in Surrey. The centre offers a wide range of activities in a weekend designed to boost achievement in crucial Maths exams. The students' time will be split between classroom based lessons and outdoor activities designed to push and challenge them the whole weekend.

The students will be collected by coach from school at 1.30pm on Friday 4th May 2018 and will return on Sunday 6th May 2018 at roughly 3pm. All meals will be provided by the centre. Please note that attendance is compulsory.

Students will be expected to bring at least three changes of clothes with them. These need to include clothing suitable for the completion of outside and wet activities.

The school asks parents to provide a £10.00 refundable deposit which will be returned on the successful completion of the trip. This is designed to boost your child's progress and help ensure success in this summer's exams. It will be returned in the week beginning 14th May 2018.

Please complete and return the reply slip below by Friday 27th April 2018.

Yours sincerely,

Mr A O'Donoghue
Assistant Headteacher (KS4)
