The Baker Clause

The Baker Clause is an amendment to the Technical and Further Education Act 2017 which states that schools must allow colleges and training providers access to all students in years 8- 13 to tell them about non-academic routes which are available to them.

The provisions made at Cardinal Pole Catholic School are detailed in the Cardinal Pole Provider Access Agreement

In summary, all students at Cardinal Pole Catholic School have opportunities to learn about opportunities to access alternative routes to employment, including vocational qualifications and apprenticeships via readiness curriculum activities which include; drop-down days, assemblies, tutorials, 'Unifrog', work experience and careers fairs.
