Dear Parent/Carer,

**A LEVEL DRAMA GROUP THEATRE VISIT
WEDNESDAY, 7TH OCTOBER 2015**

On Wednesday 7th October, in the evening, your child's A level Drama Group will be attending a performance of *Our Country's Good* at the Olivier Theatre, National Theatre, South Bank, London SE1 9PX

This production will form an essential part of the AS level course over the next few weeks, as the group will be studying aspects of this play and writing about the performance for their coursework. For A2 students it offers them the opportunity to draw influence from this highly acclaimed production. The website states that the performance contains adult themes and is suitable for 16 years and over.

We will be leaving school at 5.30pm and travelling by public transport to the venue. **Pupils must have topped up Oyster Cards with them.** The show starts at 7.30pm. The running time is 2 hours and 50 minutes and we anticipate arriving back to Hackney at approx. 11pm. This will be confirmed nearer the time. When it finishes students will be able to make their own way home via public transport- staff will advise the best route.

I hope you will agree to your child's participation in this trip. If for any reason you are unable to allow them to attend, please contact me at the school immediately as it could affect their A level grade.

Yours sincerely,

L Thomas
Head of Creative and Performing Arts
