

Monday 18th 2015

Dear Parents and Carers,

**Sixth Form Half-Term Revision**

I am writing to you to let you know that A Level courses in Physics, Chemistry, English, Maths, Economics, ICT, Sociology and Geography will take place at the school during the May half-term holidays. Further details are attached.

As you are aware, your Son/Daughter has already started their summer exams, therefore this is an excellent opportunity for your son/daughter to prepare for and gain exam tips leading up to their remaining exams following the half term break.

Pupils are to report to the main reception by **8.45 am** each morning and register. There will be a 30 minute break between sessions and your son/daughter should bring his/her own refreshments. He/She will not be allowed to leave school and your Son/Daughter is encouraged to bring a packed lunch if at school for the full day. School catering will not be available. Afternoon sessions will finish at **2.30 pm**.

With thanks for your continued support,

Yours sincerely,

Mr A English

Assistant Headteacher

**May 2015 HALF TERM REVISION**

**Revision HALF TERM 26th May - 29th May 2015**
