

24th October 2014

Dear Parent/Carer,

Sixth Form Half Term revision

I am writing to you to let you know that A level courses in Maths, Physics and Chemistry, will take place at the school during the October half term holiday. Further details are attached.

This is an excellent opportunity for your child to prepare for their 2015 AS and A2 GCE public examinations.

Students are to report to the main reception by 8.45am each morning and register. There will be a 30 minute break between sessions and your child should bring their own refreshments. Students will not be allowed to leave school and your child is encouraged to bring a packed lunch if at school for the full day. School catering will not be available. Afternoon sessions will finish at 2.30pm.

Thank you for your continued support.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'A English'.

Mr A English
Assistant Headteacher

OCTOBER 2014 HALF TERM REVISION
