

8th July 2016

Dear Parents/Carers,

END OF YEAR REWARD ASSEMBLY/PICNIC

On Tuesday 19th July 2016 we are having a celebration assembly and also an end of year 10 picnic in Victoria Park, to reward the year group for all their efforts during this academic year. Students have worked extremely hard this year and we as a school recognise the importance of acknowledging their efforts.

The celebration assembly will identify students who have either achieved outstanding results in the recent year 10 exams and will also reward those students who have made outstanding progress regardless of their academic starting points. All students of all abilities who have worked hard will be celebrated. Following this we will travel to Victoria Park to round off the day enjoying a picnic.

Your child will be permitted to wear non uniform for this occasion but will need to arrive at the normal school time of 8.30am in time for registration at 8.35am. Students are required to bring a packed lunch for the picnic. However those students who are identified as Free School Meals will have a lunch provided by the school. Once the picnic is over students will be dismissed from Victoria Park rather than returning to school for dismissal as we will end the school day in the park.

On a personal note I would like to thank all parents and carers for your constant support and efforts throughout the entire academic year, we as a school community appreciate your input a great deal.

Yours sincerely,

J. Addae
