28th March 2014

Dear Parent/Carer,

Year 10 Assessment 3 Report

Please find enclosed the Assessment 3 report for your child.

The report provides you with information on current attainment in each GCSE subject. Your child's target GCSE grades in each subject are also shown. These are the GCSE grades they have the potential to achieve if your child works to the best of their ability and maintains a good attendance rate. Statistics have shown a strong link between attendance/punctuality and examination success. I am sure that you will support your child's effort by encouraging that they attend school regularly over the next two years.

Your child will sit Linear GCSE exams meaning that the GCSE exams will be taken for the first time in May/June of 2015 at the end of the two year GCSE course. Please encourage them to work very hard over the next 14 months in order to secure the best possible GCSE grades in 2015.

We now ask if you could support your child by discussing the enclosed report and monitoring their progress, especially their work at home.

Assessment 4 for Year 10 will take place week beginning 16th June 2014. You will receive the results of these assessments before the end of the school year. Please contact your child's Head of Learning (Mr O'Donoghue) if you need to discuss any issues relating to your child's current progress at school.

Thank you for your continued support.

Yours sincerely,

Ms P. Whyte
Deputy Headteacher
