

16thth of September 2015

Dear Parent/Carer,

Progression: Providing personal growth and development for girls and boys of African and Caribbean descent

Cardinal Pole School was delighted to offer your child the opportunity to engage with the progression programme during Year 10. The course is designed to support the achievement of girls and boys through Key stage 4 and beyond both academically and a personal level. A training seminar in which the students who have been invited to join the programme will take place at Cardinal Pole in school on the 26th of September and run from **10.00 am until 3.00 pm** with a break for lunch. In this session students will be introduced to techniques designed to ensure they can use their characters and personalities in a way that enables them to reach their full potential. The programme is run in conjunction with a number of schools in Hackney and with the Learning Trust. The school has made a considerable financial commitment and asks parents contact us in advance if attendance is not possible.

If you have any concerns please do not hesitate to contact me on **0208985 5150 extension 2135**

Yours sincerely,

Mr O'Donoghue
Head of Learning
