Dear Parents and Carers,

Year 11 Half-Term revision

I am writing to you to let you know that GCSE courses in Maths, Geography, ICT and Science, will take place at the School during the October half-term holiday. Further details are attached.

This is an excellent opportunity for your son/daughter to prepare for his/her 2016 GCSE Public examinations. Your son/daughter must achieve a minimum of a C grade in both English and in Mathematics to secure a range of opportunities post GCSE.

Pupils are to report to the main reception by 8.45 each morning and register. There will be a 30 minute break between sessions and your son/daughter should bring his/her own refreshments. He/She will not be allowed to leave school and your son/daughter is encouraged to bring a packed lunch if at school for the full day. School catering will not be available. Afternoon sessions will finish at 2.30pm.

Pupils must come fully equipped for these revision sessions with pens, pencil, ruler, calculator, compass and protractor. Pupils who misbehave will be sent home and will not be invited to further revision sessions.

With thanks for your continued support,

Yours sincerely,

Mr A English

Assistant Headteacher
