Dear Parent/Carer,

.....
Field Trip to Olympic Park – Friday 5th June

As part of the Year 8 Science curriculum your child has been studying Ecology, where they have discussed habitats, the organisms that live there and how we can estimate their population size. As part of the curriculum, your child has the opportunity to go to the Olympic Park where they will be able to use these techniques in the field and work with a specialist from the Field Studies Centre.

We will be leaving school after **9 am** to walk to Homerton Station and travel to Stratford on the train. We will be met by our FSC specialist there and walk to the grassland area where we will be doing our work. We will leave Stratford Station by **1 pm**, so we can return to school during lunch.

Your child should bring:

- Water for drinking
- Waterproof jacket / umbrella in case of rain
- Sharp pencil & rubber
- Sun tan lotion & hat if it's sunny
- Trainers
- A snack if they wish

Apart from the exceptions listed above, your child should be in FULL school uniform. Please complete the reply slip below. It needs to be returned to either Mr Bounds or Miss Agathangelou by tomorrow.

Yours sincerely,

Miss E. Agathangelou
Science Department
