

Dear Parent/Carer,

Field Trip to Olympic Park – Friday 3rd July 2015

As part of the Year 8 science curriculum, your child has been studying Ecology, where they have discussed habitats, the organisms that live there and how we can estimate their population size.

Your child has the opportunity to go to the Olympic Park where they will be able to use these techniques in the field and work with a specialist from the Field Studies Centre.

We will be leaving school after **9am** on **Friday 3rd July 2015** to walk to Homerton Station and travel to Stratford on the London overground train. We will be met by our FSC specialist there and walk to the grassland area where we will be doing our work. We will leave Stratford Station by 1pm, so we can return to school during lunch.

Your child should bring:

- water for drinking
- a waterproof jacket / umbrella in case of rain
- sharp pencil & rubber
- sun tan lotion & hat if it's sunny
- wear trainers
- a snack if they wish

Apart from the exceptions listed above, your child should be in FULL school uniform.

Please complete the reply slip overleaf. This needs to be returned to me by **Friday 26th June 2015**.

Yours sincerely,

Miss E. Agathangelou
