

21<sup>st</sup> November 2014

Dear Parent/Carer,

**Year 9 Mock Tests in English, Maths and Science**

On the 2<sup>nd</sup> and 3<sup>rd</sup> December 2014, your child will be sitting their mock tests in English, Maths and Science. These tests are very important as access to GCSE pathways in Year 10 will be determined, in the first instance, by the results of these tests.

Your child has been issued with a booklet that will help you and them to prepare for these tests. The school is also in the process of ordering English, Maths and Science revision booklets for every student in Year 9. These will be distributed to students once they have been received.

As you are aware, good preparation is the key to success, so you are strongly urged to sit with your son or daughter and read through the booklet together. It contains key information and advice.

Key dates to note are:

- **Mocks tests in English, Maths and Science on 2<sup>nd</sup> and 3<sup>rd</sup> December 2014**
- **Year 9 Parents' Evening on Tuesday 10<sup>th</sup> February 2015**
- **Year 9 Options Evening on Tuesday 3<sup>rd</sup> March 2015**

Please do not hesitate to contact the school if you have any queries or if there is anything you would like to discuss.

Thank you for your continued support.

Yours sincerely,

Mr McEvoy  
**Assistant Headteacher – KS3**
