Cardinal Pole Catholic School

The 2017 OFSTED praised the work of the school in every aspect, grading the Sixth Form and Personal Development as outstanding. Our most recent inspection in October 2016 from the Diocese of Westminster graded the school as outstanding in every category. The report commented that our 'distinctive inclusive ethos of this school is tangible in every area of school life from classroom to corridors and in relationships between students and staff' and described progress as outstanding. Importantly, it described the school as a 'safe place that allows all to flourish' and a place where 'students make outstanding progress'.

We are seeking a committed professional who has a real passion for Maths and an enthusiasm to work with our brilliant students. This is a high achieving school. This position is ideal for either an experienced teacher or a newly qualified teacher. All of our teachers receive career stage CPD through both an internal CPD programme and the use of external providers also where needed. You will join a dedicated team of staff.

You must hold QTS (or equivalent) to apply for this role. However, we are aware there may be PGCE students who are anxious about the completion of their course. We would be happy to discuss this with applicants and ask that you email staceywright@cardinalpole.co.uk.
