Please see the examination timetable for your child overleaf.

These assessments will be used to assess whether your child has made expected progress and are an important opportunity to show what they have learned in their subject areas. Please remember that in order to progress to Year 13, students must obtain a minimum of a grade D in all of their subjects, as well as maintain a good record of attendance and punctuality. Some parent/carers have been met with regarding the attendance and punctuality of their child and changes must be seen to secure progression.

Please do support your child with organising their revision to give them the greatest chance of success in these assessments. All subjects have provided revision materials to support with these assessments and these should be used at home and in prep to ensure students are fully prepared.

Thank you for your ongoing support.

Yours faithfully,

Ms V Coria - Acting Assistant Headteacher
