Dear Parent/Carer

YEAR 11 ONLINE REVISION SEMINARS

On **Tuesday 2nd March 2021** Cardinal Pole Catholic School has invited 'Learning Performance Seminars' in to provide our students with a seminar on study and revision skills. The focus of these sessions is to refresh revision skills learnt in school whist adding a specific focus to the preparation for the mock examinations taken on their return.

This begins a very important period of study for your child. The Learning Performance has a proven track record in developing the skills required to prepare for GCSE examinations. I look forward to seeing the contribution they will make to your child's examination success in the proposed in school assessments that replace exams in the Summer of 2021.

All Year 11 students are expected to attend online and a register will be kept and used in reference for Sixth Form applications.

Students should attend the Seminar on Microsoft Teams from **11am until 12.45am** and it has been allotted this slot so it does not clash with Year 11 lessons that are taught. Please follow the correct link below dependent upon your child's surname:-
