Dear Parent/Carer

RELATIONSHIPS AND SEX EDUCATION

Please find attached two important documents in relation to the Cardinal Pole Catholic School's Relationships and Sex Education.

1. Relationships and Sex Education Policy;
2. Overview of the Relationships and Sex Education curriculum by year group.

The content is designed to offer a broad and balanced RSE curriculum. It aims to give young people the practical and moral education necessary to make positive and healthy choices in regard to relationships and sex. The content will build on knowledge gained at primary school but at all stages will be age appropriate to the relevant year group.

All topics, including those which are mandatory, are planned and delivered within the context of our school values which are rooted in Gospel values and designed to help our young people to become successful and happy adults. The programme will be delivered weekly by your child's Form Tutor once a week as part of Form Time. It will begin in the Summer term once all staff have received bespoke training.

We recognise that parents and carers are the primary educators of young people, and as such, we warmly welcome your views on our Relationships and Sex provision. I would be grateful if you could read the documents attached and then complete the short survey which can be found here [Relationships and Sex Education Parental Survey 2021](#). There will also be two opportunities to discuss this in person. Details can be found below:

- Thursday 11th March 5-6pm (online);
- Friday 12th March 10am-11am Headteachers Forum (online)

If you would like to join either of these meetings, please email enquiries@cardinalpole.co.uk, or indicate on the Parental Survey your email address so that we can contact you.

Yours sincerely

Ms J Heffernan
