

1st March 2021

Dear Parent/Carer

**YEAR 12 AND 13 RETURN TO ON SITE EDUCATION 8TH MARCH 2021 AND
COVID TESTING THURSDAY 4TH MARCH 2021**

In line with the Government announcement on the return to school on 8th March and to ensure your child can return to school, Year 12 and 13 students are invited in on **Thursday 4th March** to complete lateral flow COVID-19 testing. Our test centre is run by trained staff and has been vetted by Public Health England. The lateral flow tests will help the school to ensure that we minimise the risk from COVID -19.

Students need to remain socially distanced from each other on the way into and on the school site to avoid those who may test positive coming in contact with each other and so their entrance and exit has been staggered

Students will arrive through reception where they will be registered and taken to the canteen. They should arrive 15 minutes before their test time. After the test is complete they will be dismissed from the School site. Only those who test positive in the test will be contacted by the school.

Arrival times are as follows:

Year 12 Form	Arrival Time
12A	9:30 AM
12C	10:00 AM
12D	10:30 AM
12N	11:00 AM
12R	11:30 AM

Year 13 Form	Arrival Time
13A	12:00 PM
13C	12:30 PM
13D	13:00 PM
13N	13:30 PM
13R	14:00 PM

Students are not required to wear uniform. After testing your child should make their way straight home and they are not to delay their return home by visiting the local shops or socialising with others.

There will be no Live MS Teams lessons on Thursday 4th March for Sixth Form students. Your child should use this time to prepare for the return to school.

You must ensure that you have completed Lateral Flow Test agreement online so that testing can take place.

Monday, 8th March 2021

Sixth Form students should arrive through the school reception from 10.30 am for registration followed by timetabled lessons

Yours sincerely,

Mr T Read
Assistant Headteacher – Head of Sixth Form
