Dear Parents/Carers,

CARDINAL POLE STUDENTS 'TAKEOVER' HACKNEY MUSEUM LAUNCH EVENT THURSDAY 21ST NOVEMBER 2019

Following the success of our Year 7 transition project, we continue our collaboration with Hackney Museum and invite you to a very special event on Thursday 21st November 2019.

During their transition project, the students based their work on information they collected on their trips around the local area, including Hackney Museum. As a final outcome of the project, the students were given the opportunity to choose their favourite displays and re-write the captions, allowing their written responses to become part of the museum's collection. A selection of students have now been chosen as 'Museum Ambassadors', and will run their own takeover of the museum, including displaying their captions in the museum and running personalised tours on the evening of 21st November 2019.

Details of the event:

Venue: Hackney Museum (Ground Floor of Hackney Central Library), E8 1GQ
Date(s): Thursday 21st November 2019
Time: 6pm-7.30pm (Students to arrive at 5.45pm if they are Museum Ambassadors)
Special Clothing: School uniform for those students presenting their captions and taking tours in the museum (the Museum Ambassadors)

This is a very exciting opportunity for our students to work in close collaboration with the museum staff, developing their skills and knowledge. Our work together forms part of the museum's upcoming redevelopment, as they seek to incorporate the views of local residents, especially young people.

We hope that you can join us for this special event. Please register your interest on the Event Brite invitation page:
