Dear Parent/Carer

ONLINE SUPPORT AT CARDINAL POLE CATHOLIC SCHOOL

We have a number of online platforms we use that help with home school communications. This has been communicated to you in the transition materials sent previously, It is important that you are using these platforms to track your child progress in school and keep up to date with school notices.. If you need help accessing any of these platforms please call the school office and a member of the admin staff will be happy to assist you.

Go4Schools - www.go4schools.com

Go4Schools is the online platform we use at Cardinal Pole Catholic School to record students assessment data, achievement points, behaviour points and attendance. You can instantly find all of this information for your child, in real time. You will use the email address you provided in the enrolment documents to register as a parent/carer on this site. To register as a parent/carer, click on the 'parent' tab on the homepage and then select register as a first time user. This can be used as a website and there is also an App available for free on Android and iPhone devices.

My Ed App

This is a free App available on Android or Apple. It is used for Key dates, Contacts, News, Resources, School information, Letters, Policies and also has a communication tool to send enquiries to the school. It can also be used to access Show My Homework. Once you have downloaded the App, select Cardinal Pole Catholic School and then select your child from the list of names.

Show My Homework

This allows parents/carers to instantly see homework set and completed in real time. Students can access work even if they have lost worksheets or their planner. Students have been taught how to sign into their account already, they have a sticker in their planner explaining how to do it if you want to go through it with them. All parents/carers can also access SMH through the My Ed App.

ParentPay

ParentPay allows you to make payments to school using your debit/credit card or in cash using ParentPay top-up card at your local PayPoint outlets. You can make payments for: school meals, trips, equipment/resources and stationary and charity collections. You have been sent your log in details and a copy has been given to your child. All students should now have a ParentPay account.

Social Media

Please sign into INSTAGRAM or TWITTER now @cardinalpolerc to see the incredible things our young people achieve every day.

Yours sincerely

Mr D Hanna
Head of Year 7
