Dear Parent/Carer

CUTS TO FUNDING

You will be aware from the news that schools have been facing real cuts in terms of their funding. We are trying to do more with less money, whilst still maintaining and improving our already very high standards.

We are committed to providing the best possible education for your children and we ask if you could help us in these difficult times.

If the school were to receive £30 per family, an amount previously agreed with Governors but which we have only ever asked for at the start of Year 7, this would make an enormous impact on the opportunities we can offer and would improve educational outcomes.

I ask you to reflect on all the additional benefits that this school provides for your child, from smaller classes, a broad curriculum offer throughout the school including post 16, additional support for learning and well-being, trip and visits, free and subsidised music tuition, a new library and our spoken word poet.

Please do give this some serious consideration as it would make such a positive contribution to our community.

If you feel that this is something you could contribute to, please make this "School Fund" payment via your child's account on www.parentpay.com

I thank you for your continued and valued support.

Yours sincerely

Ms J Heffernan
