

5th June 2020

Dear Parents/Carers,

YEAR 12 WIDER OPENING OF SCHOOLS

Your child should by now have collected their resources from school today. You will have heard in the press and Government announcements about the return to school for some year groups from the 1st June 2020. I have written to all parents/carers separately about this. Your child is in Year 12 and I have reflected carefully on all Government, Hackney Learning Trust, Union guidance, guidance from PHE and the Health and Safety Executive and secured the appropriate risk assessments. Your child will be invited to return to school (subject to risk assessments) with effect from Monday 15th June 2020 following the attached rota. This will provide your child with the opportunity to be briefed on the mocks and receive resources from their class teacher.

As part of this return, your child will be asked to adhere to the following school guidelines:-

- Normal uniform dress code requirements are not needed and are suspended, but obviously they are asked to wear appropriate dress for a school environment;
- Water will be provided on site;
- No food on site is permitted, students will be provided with a snack;
- Compliance with the attached revised School's Behaviour Policy and Social Distancing Policy;
- On arrival on site, your child should enter through the side gate as usual. They will be lined up in the playground to be briefed on appropriate health & safety restrictions and escorted to their classroom.

We look forward to very much to seeing your child soon and I thank you for your continued support. I do hope your child has enjoyed their remote learning to date.

If you have any questions, please email enquiries@cardinalpole.co.uk

Yours sincerely

Ms J Heffernan
