5th June 2020

Dear Parent/Carer,

Year 10 return to School intention of interest form

In line with instructions from the government the School will be reopening for Year 10 from the 17th of June. Before we re-open the school needs to know if you intend to allow your child to return. This information is important as the school will be able to plan for the groupings required in line with the advice on social distancing from the government.

The School has written an addendum to its behaviour policy, safeguarding policy and has a new Social distancing policy. This is to ensure that our young people, their families and the teaching staff remain safe during the opening.

Year 10 remains an important Year in the build up to their GCSE's and the face to face teaching will be focussed in preparing them for their Year 10 assessments which are due to take place from the 29th of June.

We look forward to seeing your child but we require the notification of your intentions before we allow any return. Additional questions on the questionnaire allow us to support your child's reintegration into education. Non completion of the questionnaire will be viewed as a decision not to allow your child to return

Please follow the link below and ensure that all responses are with us no later than **5pm** on Tuesday the **9th of June**. If there are any issues please contact us directly by emailing **enquiries@cardinalpole.co.uk**
