Dear Parent/Carer

## **NHS COVID VACCINATION PROGRAMME FOR 12-15 YEAR OLDS**

Following the Chief Medical Officer's confirmation that Covid-19 vaccination will be rolled out in schools to all healthy 12-15 year olds. The London Borough of Hackney has been working closely with **East London Foundation Trust (ELFT)** and **Vaccination UK** to implement this. All Hackney schools will be notified shortly on exactly how and when this will be implemented.

The East London Foundation Trust (ELFT) will be responsible for delivering the vaccination in the Hackney schools via vaccination clinics. Vaccination UK will be responsible and for gathering consent from parents/carers in advance. You will receive an email over the next week or so from Vaccination UK which will be forwarded to you by the school. Please note that the school is not responsible for managing the consent process. This will predominantly be collected by an e-consent form managed by Vaccination UK.

If you have any questions relating to this process or the vaccination, please contact Vaccination UK or the East London Foundation Trust. In the meantime, I attach a leaflet for further information.

Yours sincerely

*J. Heffernan*

Ms J Heffernan  
**EXECUTIVE HEADTEACHER**
