Dear Parent/Carer,

YEAR 13 PROGRESSION INFORMATION EVENING

Cardinal Pole Catholic School Sixth Form has an exceptional record of progression for students to the top universities, including the Russell Group universities, as well as onto alternative pathways such as apprenticeships.

As Year 13 students begin the process of applying to university, or deciding on alternative pathways, I would like to invite you and your child to attend the **Year 13 Progression Information Evening** on **Thursday 7th October from 5:30pm-7:00pm**.

The evening will allow you to gain further information about applying to university and student finance, as well as about the other options that are available to your child should they be unsure about attending university. During the evening, I will be giving talks on applying to university and making subject choices, as well as an introduction to Student Finance including tuition fees, grants and bursaries.

We hope you can attend as this, it will be a productive and informative evening for both you and your child, and will provide you with the tools to help your child take the next steps in their future.

We look forward to seeing you.

Yours sincerely,

Ms N William
Head of Year 13
