Dear Parents/Carers,

### WELCOME BACK

I hope you had a restful half term and enjoyed our Cardinal Pole newsletter see [here](#) if you didn't get a chance to read it, we had a busy half term!

#### **New School Meal PIN Codes**

In addition to the existing finger imaging for school meals that is currently in place, we will now be issuing all students with a PIN code in order to reduce students waiting time for food service and maximise free time at break and lunch. These will be issued over the course of the next week (Year 11 & 13 will receive their PINs after their mock examinations), the PIN codes are **unique** to each student and **must not be shared** with other students. Therefore, just like any other personal information of a similar nature, they must be kept **private** in order to remain secure. I would be grateful if you could discuss this with your child. Please note that if your child forgets their PIN your child's Year Team will have a list of all their students details and can easily remind them.

#### **EVOLVE – Extra Curricular**

At our Parent Forum recently it was highlighted that further instruction for parents was needed on how to add extra clubs onto their child's EVOLVE account as and when they become available. Please click [here](#) for a step-by-step guide. A full programme of all our extra-curricular clubs are on the school website.

Whilst writing please see some key dates below with an important reminder to the parents of Year 11 & 13 students that their child's mock examinations commence next week, details of which were sent out before half term. Good luck to you all!
