Dear Parents/Carers

## **STUDENTS OUTSIDE OF SCHOOL**

Whilst the vast majority of our students conduct themselves with pride and positivity on the way to and from school, on occasion there are a small number who let the rest of us down. The consequence is that our local community see these students in our uniform and make negative assumptions about Cardinal Pole that are deeply untrue.

I will therefore take the strongest possible sanctions in response to any breach of the school's Behaviour Policy which involves students bringing the school into disrepute either whilst out in the local community, regardless of whether they are in school uniform or not. This also includes social media.

I ask that you continue to support the school and speak to your son/daughter about this type of behaviour and ensure that they always represent the school in the most positive way in our local community.

Yours sincerely

Mr A Hall  
**HEADTEACHER**
