

8th March 2021

Dear Parent/Carer,

YEAR 10 EXTENDED SCHOOL DAY — MONDAYS 2.05PM-2.55PM

Lockdown has been a challenging period for us all and we would like to thank you for your continuing support during this difficult and uncertain time.

Now that students have returned to face-to-face teaching we have made plans to support your child to catch-up on any missed learning in Maths and to prepare them for their GCSEs in 2022:

- All Year 10 students will be allocated an additional period of Maths on Mondays from 2.05pm to 2.55pm. The change is effective from **Monday 15th March 2021** and attendance is compulsory as this period forms part of the school day.
- Small group intervention for identified students in English and Maths will take place after school starting in the coming weeks. Mr English, Curriculum Deputy Headteacher, will write to parents/carers separately about this.

We would also like to thank you for all your support in helping students learn from home.

Thank you for your continued support.

Yours sincerely

Mr J Okoson
Head of Maths
