

8th December 2020

Dear Parent/Carer,

YEAR 11 MOCK EXAMINATION UPDATE

As you may be aware your child has, on average, performed well-below average in their recent Mock examinations.

In order to support your child to get back on track, the school has organised special online master classes to be delivered by our teachers on Microsoft Teams on Friday 11th December in English and Maths. Your child is expected to attend virtually.

Session 1 Master Class: English — 9.00am to 11.30am

Session 2 Master Class: Maths — 12.00pm to 2.30pm

Your child will then be re-tested on Monday 4th January 2021 for English, Maths on Tuesday 5th and Thursday 7th January for Science.

I would like to take this opportunity to remind students that mock results are an indication of future performance and are used by Sixth Forms and Colleges to inform their decisions regarding student recruitment.

Thank you for your continued support.

Yours sincerely,

Mr A English
Deputy Headteacher
