Dear Parents/Carers

YEAR 11 GCSE EXAMINATION TIMETABLE

Your child has been given an individualised timetable so that they are fully aware of the dates and times of only their examinations, but in the interests of keeping you fully informed, I am re-sharing this information in a generic format to all parents/carers. Please see attached a copy of the timetable for the Year 11 GCSE examinations stating the date and the times of all the subject examinations. This timetable also includes the Saturday revision sessions that are taking place in the lead up to the exams.

Please note your child should arrive to school at least 30 minutes before the start time. Where your child's examination starts and finishes in the morning, they will be sent home at the end of the examination with the option of staying for lunch at 12noon.

All students are expected to bring the right equipment to each examination as no equipment will be lent out and no mobile phones or watches are permitted into the exam. If banned items are taken into the examination then your child will be disqualified.

They have been working very hard towards achieving the best results possible in order to secure the sixth form place they desire so please support your child in ensuring that they look after themselves during this stressful period, this includes having enough sleep and making sure that they are eating well. They should bring a clear water bottle with them into their exams.

We wish them well.

Yours sincerely

Ms E Connolly
