

17th October 2024

Dear Parent/Carer,

BROMCOM PARENT APP

The school has moved from Go 4 Schools to Bromcom as a Management Information System which holds data on attendance, behaviour, rewards and assessment. MCAS (My Child At School) enables you to view your child's data in real time using either a web browser or the App.

All parents/carers will get an email shortly with a link to the login site where you will be able to create your own password (see example below).

Attached to this letter is the MCAS parent user guide and your child will receive instructions on how to login during Prep in school. The Bromcom App will enable us to alert you in real time to both sanctions and rewards issued, giving you greater understanding of your child's journey through school.

Thank you for your continued support.

Yours sincerely

Mr A O'Donoghue
HEAD OF SCHOOL
