5th October 2020

Dear Parents/Carers,

BLACK HISTORY MONTH

As you may be aware, Black History Month runs each year during the month of October. We are proud of all our communities here at Cardinal Pole Catholic School and see Black History Month as an opportunity to learn about and celebrate the many contributions and achievements both here in school and in our wider community and society.

Over the course of October we will be running a variety of activities in school to raise awareness and appreciation of the contributions made by black people to our culture and society. This will include dedicated lessons as well as writing competitions and discussions. We are sure that your child will benefit from these opportunities and we look forward to celebrating Black History Month together. Further information about Black History Month can be found at the following website:

Please do not hesitate to get in touch if you would like further information.

Yours sincerely,

Mr P McEvoy
