## An enriching education and a caring ethos

tudents joining Cardinal Pole Catholic School will enjoy the benefits of a school with a long history of success and state of the art facilities.

Cardinal Pole is a friendly, vibrant and highly successful school with strong foundations of discipline and moral purpose. It offers an enriching education and a community which cares deeply about the wellbeing and development of all.

"We want our students to believe in themselves, to be ambitious and to feel confident about their future," says headteacher Jane Heffernan. "Our students have a strong sense of belonging and feel secure; we are confident that you will hear them speak warmly about the caring atmosphere in the school and the way they value motivated and committed staff."

Cardinal Pole Catholic School builds on a history of success with its warm atmosphere and devoted staff

Students, staff, parents, carers and governors are proud of the excellent results secured this year. The school continues to exceed national results at GCSE and Ofsted has rated the Sixth Form 'Outstanding', evidenced by exceptional and sustained student progress. Already among the top two per cent of sixth forms nationally, these outcomes ensure that their students secure places at top universities.

Students at Cardinal Pole Catholic School are ambitious and confident about their future

Cardinal Pole is balanced against service to others and is rooted in strong traditions. The experienced pastoral team work together with families to support students in their faith journey, learning and personal wellbeing, ensuring that all learn and succeed.

In October, Cardinal Pole have a series of open morning appointments offering a chance for families to come along and see the school for themselves, meet existing students, and hear from the dedicated staff. The online secondary transfer video launches on October 1, 2020 via the school's website: cardinalpole.co.uk.
