## ACCESS TO YOUR CHILD'S INFORMATION

Go 4 Schools will enable you to view your child's progress online and access the following information at any time:

**Real-time attainment information** – marks and target grades for all subjects throughout the year.

**Attendance** – Shown from the start of the academic year

**Progress Reports** – Full written reports which are published once a year

**Behaviour information** – Positive and negative behaviour events

**Timetable** – Your child's timetable

Your child's page is constantly updated, providing you with the latest information.

# Attainment Information:

## Progress from Year 7 baseline

And/or

## At a glance

This is a quick overview of your child's current progress against their target grades for each subject. A value of zero indicates that your child is on target, a negative value indicates below target and a positive value indicates above target

## Detailed Progress

This table shows the current levels in each subject. All topics and assignments are listed here and updated marks will appear throughout the year. Where 'View subject description' links are available, you can click on the link to see more detailed information.

## Attendance:

This information is always shown up to the previous day.

### Attendance

## Progress reports:

This shows grades for your child as they were captured by reports and compares them against current grades. At the bottom of each report column you can access a report by clicking the 'View report' links. You can then also download and print copies of the reports which will be available for the whole of the year.
